Market Information

- NWC Chair, Chloe Munro, will release the Commissions 2011 assessment of the Australian water reform on 14 Sept.
- MDBA Chairman, Craig Knowles, has criticised some states for their lack of cooperation regarding the development of the revised draft plan.
- ABC Rural and Keith Perrett, Chairman of the National Rural Advisory Council stated that 10% of NSW is now declared a drought area.
- For the past 18 months, a drought trial review in WA has been looking at ways to help farmers prepare for droughts and become less reliant on government assistance.
